Early Dismissal

- We ask that at all possible there be NO EARLY DISMISSAL from school. To maintain safety and social distancing, we will now be an escort only school. If we have early dismissals, an escort will need to be found and taken from their responsibilities to dismiss your child. We will only be dismissing in the event of an emergency.
- If you have an appointment during the day that you would normally pick up a child early for, keep them remote that day. Please call the office and let us know so we can code attendance properly.
- In the case of an emergency, call the office if you are coming to pick your child up early.
- Due to safety protocols and need for student supervision, students will not be dismissed early past 2:50. We will begin our exit from the building at 3:10 and getting students ready for dismissal during this time will take longer with cleaning their area, washing hands, getting their laptop and other materials ready to take home.
- If you do dismiss your child before 2:50, you will be asked to wait outside for your child.
